## INTEREST GROWING DAILY IN CONTEST

Ask for Coupons at the Stores and Vote them for your Favorite Candidate. Contestants getting many new subscribers to The Journal.

The candidates and others interested in The Journal Voting Contest will soon have the opportunity of seeing the piano which is to be given to the one having the largest number of votes. The company of whom we are securing the piano write us that it will be shipped at once. When it arrives the fact will be made known so that you may come and look it over.

To own a magnificent \$400 Upright piano will be the privilege of some one in this section through The Journal contest. To secure some of the other big prizes offered will be the privilege of other contestants in the contest and work is required to win, that's all.

The Journal offers this great opportunity to its readers and friends. It's yours. Votes are coming into this office by the thousands and the contest is just three weeks old.

Nothing is more talked about in this community at present than the great prize voting contest inaugurated by The Journal and votes are in great demand.

The town and country are being scoured for them and the merchants who are giving prizes are continually being asked for coupons.

Many people are willing to help their friends in this contest and are only waiting to be asked. The first candidate to ask, of course, will be the one to get the assistance of friends. Those who desire to enlarge their count should get out among their friends and make their wants known.

The prizes offered are surely worth the small effort required. Let each contestant show the people that they have the determination to succeed in anything they undertake and that they are out to win.

The list of prizes and rules and regulations will be found on another page of this issue.

This count in contest will be made August 11, at which time \$10 in gold will be awarded to the contestant having the largest number of votes at the time.

The Journal has mailed letters, rules and regulations to all contestants to date, but if there are any who have failed to receive them, if you will kindly call at The Journal office you will be supplied.

Those who do not fully understand the rules and regulations of this contest may call or write this

office and we will be pleased to go over the proposition with them.

Remember to have your friends save the merchants coupons.

## OUT OF THE CAULDRON

Old Pal Sends Home a Bowl of "Hot Gravy."

Lake Brady, O., July 25, '14.

Dear Ned:—Noting that my big brother (J. C.) has broken into print in your dear old Journal, the itch has overcome yours truly to the extent of offering the enclosed hot gravy from the cauldron of a fevered think-tank.

Doesn't it beat all what sins can be laid at the door of the approaching dog days. Well, this jingle—pushed over to you to give its fate into your keeping—is offered with the blame on the hot weather.

Expecting to see you personally first week in August, I am, meantime.

Sincerely,  
C. A. HIMMELMAN.

THIS IS THE "HOT GRAVY."

Whoopelah!  
An' Hip Hooray!  
Pretty soon 'll be the day  
When Jim and Jack  
An' Shadarack  
Will dust an' pack  
Their Gladstone sack—  
Perambulate  
From every state—  
On August five to ditto eight—  
To Perrysburg,  
The dearest spot,  
And eke the great-  
Est up-to-date-  
Est shady plot  
Upon the map.

(Chorus of sturdy ex-'Burgers.)

"We love our East,  
"Our South,  
"Our West.  
"And for adopted cities  
"Thirst.  
"But oh you Maumee  
"Valley saw me  
"First!

We'll doff our cap—  
Our digits clap  
Around the mitt  
Of old grandpap.  
And then mayhap  
We'll meet the gal  
(Say, was it Liz, or was it Sal?)  
Who used to be our boyhood pal—  
Who'd snuggle up  
On Sunday nights  
An' sometimes occupy our lap!  
Wow!  
Oh, joyous jag!  
We'll ope our bag  
O' spendin' money.  
And if Mag  
Still has her old capacity  
We'll tackle the rapacity  
Of midway shows.

For goodness knows  
The nimble shilling  
Comes and goes.  
The geezer with a wad who blows  
It in on gals  
And whilom pals  
Is OK if he thus corrals  
The too elusive  
Non-exclusive  
Fattened rib  
That's so conducive  
To the happiness we crave.

Your town has kep'  
The old time rep  
Of ever having plenty pep.  
Then ginger up  
An' fill yer cup  
O' joy until it floods the 'Burg.  
Yea, what's the use?  
That's no excuse—  
Uncork your bottled social juice,  
Strike up th' band,  
I'll lend a hand—  
Turn on the lights kick up a noise!  
Toss up yer Kelly,  
Shout and yell a  
Welcome to old gals an' boys.

One spot on earth—  
That of my birth—  
Shall bear the tend'rest reveries.  
Where I was reared  
Has been endeared  
And hallowed by its memories.  
Sincerely yours,  
C. A. HIMMELMAN.

## PIONEER SCRAP BOOK

Of Wood County and The Maumee Valley.

Parties are wanted to sell this book at Perrysburg during the Home Coming, August 5th to 8th.

It contains 264 pages, 171 articles and sketches, and 18 illustrations nearly all of which are of special interest to present or former Wood county people. Liberal commission will be paid. Address H. S. Chapin, Bowling Green, Ohio.

Good Reason.  
"I see that Brinkerton has at last quit smoking. His doctor told him more than a year ago that it was bad for him, and his wife has been trying for a long time to persuade him to give it up. Evidently he has at last been willing to listen to reason." "I don't know whether it can properly be called listening to reason or not. His pretty stenographer complained that cigar smoke hurt her throat."—Judge.

After a hearty meal, take Doan's Regulets and assist your stomach, liver and bowels. Regulets are a mild laxative. 25c at all stores.

## THE LATCH STRING IS OUT

And Everybody will Receive a Cordial Welcome at Perrysburg's Home Coming.

All roads lead to Perrysburg next week and the glad hand of Perrysburg is reaching out in all directions to welcome to the most beautiful village the thousands of visitors from far and near who will come here for four days of recreation and enjoyment.

Arrangements for Perrysburg's Big Show are now completed and the visitors will have the pleasure of observing the

### NEW PERRYSBURG

and will be given entertainment that will demonstrate the fact that the citizens of this charming village are awake and appreciate the great advantages nature has so kindly bestowed upon them and that they wish to share their prosperity and happiness with their neighbors.

Some of the features of the Home-Coming and Street Fair that are scheduled for August 5, 6, 7 and 8, 1914, may be here mentioned.

Of course there will be balloon ascensions every afternoon and the association has engaged the celebrated Professor Walter W. Raub, who will ascend in his monster balloon from which he will make a double parachute drop. This is a feature never before presented in this section and is a thriller that excites the wonder and admiration of all who behold this daring aeronaut.

An engagement extraordinary is that of the justly celebrated Wernitz Duo (Meade and Mamie) aerostatic gymnasts, who have been among the highest salaried attractions of the big tops. Theirs is a novelty act without an equal in the aerial gymnastic world and every feature of their performance is seemingly impossible. There is no duplicate on earth for their marvelous and extraordinary exhibition.

Contracts have been closed with the Gooding Carnival attractions and they will have an up-to-date Merry-Go-Round, the Ocean Wave, the Ferris Wheel and the wonderful Motordrome, where daring motorecyclists engage in death-defying speeding around the inside of the motordrome where the slightest miscalculation will result in their destruction. They have also engaged 125 feet of space along the Main street where they will present the latest features in clean and interesting sideshows.

Mr. John Broadway—everybody

### HAS YOUR CHILD WORMS?

Most children do. A Coated, Furred Tongue, Strong Breath; Stomach Pains; Circles under Eyes; Pale, Sal-low Complexion; Nervous, Fretful; Grinding of Teeth; Tossing in Sleep; Peculiar Dreams—any one of these indicate Child has Worms. Get a box of Kickapoo Worm Killer at once. It kills the Worms—the cause of your child's condition. Is Laxative and aids Nature to expel the Worms. Supplied in candy form. Easy for children to take. 25c., at your Druggist.

knows John—one of the squarest concessionists in the business, will have a number of features that will be interesting and amusing which will attract attention of the boys from the farm, the village and city and he will also present a feature that will be of special interest to the ladies, both young and old, from country and city, alike.

### Music Everywhere.

The musical features will be well cared for. A different band for each day and all of them good. For Wednesday afternoon and evening the new Perrysburg band; Thursday afternoon and evening, the old Perrysburg band; Friday afternoon and evening, the Water-ville band, and on Saturday afternoon and evening, Hart's Boys and Girls band of Deshler. Prof. Harts is the director of the celebrated Boy's band of Hicksville, which organization will make a coast-to-coast tour, commencing in December and he is bringing his Deshler band here chiefly for the purpose of showing how well directed effort will develop the musical ability of naturally talented young people.

There are so many features of entertainment that our space forbids complete enumeration thereof.

The Perrysburg Fire Department, who are certainly alert in the amusement line, have prepared and will produce something that will crack a smile in the hardest visage.

And the boat races, which, of course, will be on the river, will be worth coming to see.

Altogether, it is going to be the "Biggest Ever" and

### UNITED, PROSPEROUS PERRYSBURG

invites everybody to come and bring their best smile and that smile will be turned into a rainbow of gladness.

## LOST TO OTTAWA

Perrysburg Ball Team Went to Ottawa for Defeat.

The Perrysburg Base Ball team with about 130 visitors, headed by the band went to Ottawa, Sunday and met defeat by the score 7 to 1. Perrysburg has no excuse for their defeat. They forgot about base ball and had stage fright or buck fever or something similar. It was a poor exhibition to hand to the fans who journeyed so far to see a good game.

Ottawa played a ragged game and errors by the locals gave the winners their runs. A return game is being arranged to be played at Perrysburg. This will give the home boys a chance to redeem themselves. Any way there was a dandy crowd went to Ottawa and the ball team appreciates the good will of the fans.
